

AGENDA ITEM # 3: Group Activity

STRATEGIC PRIORITY: EDUCATION

Instructions: As a group, please select 1 member from your table to record discussion comments into below chart and 1 to present. Use flip chart if helpful.

During discussion, please think through what steps the Division of Dermatology can take to advance education. Think about opportunities, expectations and action/goals will get us to where you think the Division should be. *How we can we as a division advance and continue to lead innovation in a meaningful way that improves trainee experience, translates to patient care, core competencies, and develops long-term education goals?* Focus discussion using the SCOPE planning tool documents you brought with you and think about how the University and Division can support these considerations. Outline a maximum of 6 priorities.
